NARMC Announces the Opening of Orthopedic & Spine Institute

(Harrison)- North Arkansas Regional Medical Center has designated a wing in the Patient Tower for its new Orthopedic & Spine Institute. Dr. Tarik Sidani, Board Certified Orthopedic Surgeon with Arkansas Orthopedics & Sports Medicine and Dr. Chris Reeves, Board Certified Orthopedic Surgeon with Reeves Spine & Orthopedics are dedicated to providing state of the art treatment for general orthopedics, joint replacement, and spine procedures.

NARMC's Orthopedic & Spine Institute's nurses and support staff are specially trained to care for the orthopedic patients' every need. Following surgery, the NARMC Rehabilitation Services professionals will ensure that patients receive appropriate therapy and are back on their feet in no time.

Why go anywhere else for your orthopedic & spine needs when the best in orthopedic care is right here at home.
